The Dennis Moore Trophy is awarded annually to the club that, in the opinion of referees,
has demonstrated the highest level of professionalism to the game of football

Each home team is allotted 50 points with away teams 30 points, and a point is deducted for each failure of the criteria as set out in the guidelines. After each game the referee e-mails the score to a central collator with every game being accounted for. Towards the end of the season two representatives from each of the leading three clubs are invited to attend the referees association "End of Season Dinner" where the winning club is presented with the
Dennis Moore Trophy

The Dennis Moore Trophy is an initiative of the
Elizabeth & Districts Referees Association Incorporated
to recognise the clubs that work hard to make the game successful
