

E&DJSA Policy

Technical Area Policy

In any games or age groups designated by E&DJSA that technical areas are to be used all coaching is to be done from inside the technical area.

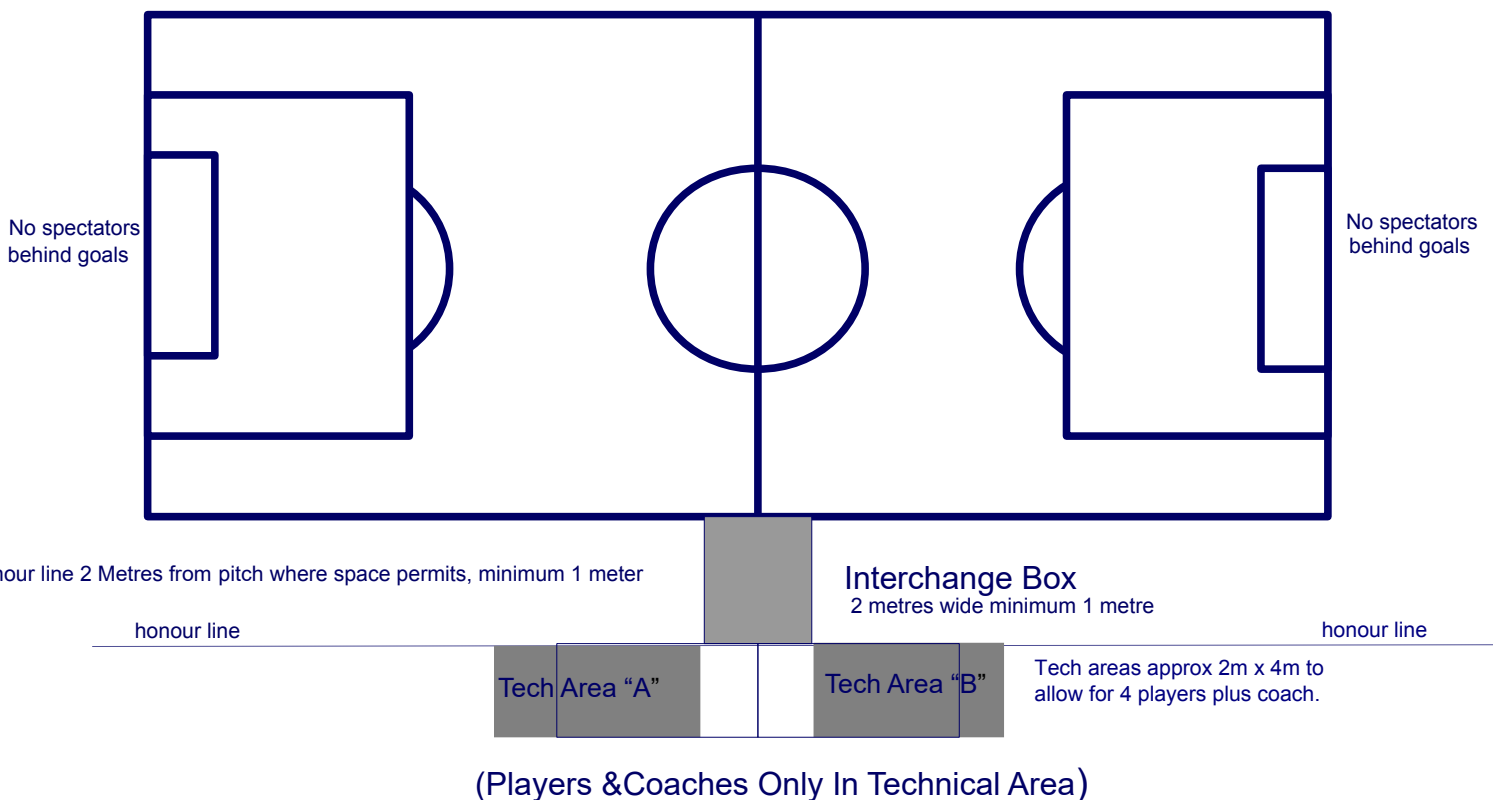

The technical area shall be marked out in accordance with the current E&DJSA directive.

Notes:

- All coaching is to be performed by fully qualified coaches only.
- Assistant referees are not permitted to coach.
- Interchange players are to sit inside the technical area.
- Technical areas are to be marked on one side of the ground only.
- Technical areas apply to all age groups during the Challenge cup finals.
- Technical areas are not to be used as general storage areas, they are for team coaches and team players only.
- Coaches from U/14 up must remain in the technical area while coaching.

Honour Line 2 metres from pitch where space permits

If there is no room for honour line no spectators are allowed
